Formerly a clan, the Nukeboys has been resurrected as a community. We are pretty fresh at the moment, but we have an AoW server up and the makings of a website. Please check us out in IRC at IRC.Gamerz0ne.com #nukeboys

Our website is not finished but we have temporary forums up and running so please check out our website...

Yeah we have a server up. The host name is a00000tn2 and its called "Nukeboys AOW Back!".

The status of our bot and website right now is pitiful, but in 5 weeks we are formally starting it up and everything should be running smoothly shortly after. For now I am just trying to get some people to check us out, mainly on IRC. Feel free to stop by and thanks for taking an interest songokuk
