I'm offering Level Edit Help on my TeamSpeak server for anyone that wants a fast, instant response. Anyone is welcome to us my TS server to help or get help.

Be sure you have TeamSpeak, if not go here and it'll tell you how to get started:

If you have TeamSpeak then connect to our server by clicking the button on our homepage:

[Note: Server will be back on the main hosting machine this Wednesday, so it might be offline until then. Checking doesn't hurt though.]

Well, once the TeamSpeak server is online tomorrow I'll add a RenForums channel and you can do whatever you want, you can give and get any help you so desire, etc. I'll also be giving Level Edit Lessons on weekends if I have time, although I'm almost always on my TS server so when people have questions I assist (if I'm paying attention, lol).
