His name is FireH4x

Nope, no cheats.

He was repairing a stolen mammoth tank, for almost 10 minutes of a game...

He got out of it in the middle of the battle and it got stolen by an enemy, so he decides to keep repairing it!

GDI is trying to kill it (WF killed) and he is standing behind it FUCKING FIXING THE ENEMY TANK!!!

WHY IS HE SUCH A N00B OMG!!!

1. People aren't banned from XWIS based on one person's complaint
  2. People aren't banned from XWIS based on doing stupid things (if that was the norm you wouldn't still be on these forums)
  3. Please stop spamming these forums with this kind of stuff.

I am quite sure that a half-decent Mod would have kicked him. What server was it on? Did you have any Mods?

Also, note: These are NOT the n00bstories forums.

Oh, and I'm finally going to put Viking on my ignore list. His intentionally stupid posts are ridiculous.

list. His intentionally stupid posts are ridiculous.

I did weeks ago, but unfortunately I often end up revealing the posts to see why someone else has flamed him.

That's usually my downfall, as well.

I think that the guy you are talking about might have been doing it on purpose, to piss you off.

Or maybe he was on drugs.
