I just downloaded S.T.A.L.K.E.R. and I played it a few hours and then I got the idea to start a clan. My question is: Are there any persons here that also play S.T.A.L.K.E.R. who I can challenge. You can only challenge me over hamachi, because I have a downloaded version. If you wish to see the template for the website or interested in the clan:
