I've asked you for 1 vs 1 in sniping.
You going to take me up on my offer? I wouldn't mind showing you how deadly I am without cheats.
Ill use Renguard, no Hacks, take multiple screen shots just to shut your ass up.

Me on the other hand, and good in both areas.

Not so sure...

I need to know a date first, before I make any promises to this.
If I have to work, I'll have to make it another day.

Give me a date and time within 24 hours, and I'll cancel my shift.

Nvm, I can get that shift cancelled.
Ok, I dont mind City, provided we are GDI.

How about the other two maps as Field and Canyon?

Double Edit: I just recently talked to [Da]SuperJ and He is going to be my partner, If this is ok with you? I just feel I would rather play with someone that knows how I play, same strategies as me, as well as a good know=how of game mechanics.

Triple Edit:
So far we have these people for Team Canada-

Renerage (Cheekay77)
[Da]Superj
REN3G1DE

Anyone else wanting to join? I wish for CanadaCDN to join us, since He would help this team out large.

- USA/Canada vs. Europte -

I always thought it was 2 vs 2, now I am thinking that it's USA/Canada vs Europte as in those are the only teams.

1# Who is going to take the screen shots of the game?

Answer Pending...

2# How many games will we be having?

We are having 7 games, and these are the maps:

Cairo
Creekdale Flying
Islands
City Flying
Mesa
Tib_pit3
Highnoon

Be at "Ryder Cup style game" sharp. Time listed above.

I am wondering if there isn't any server with that kind of name, then what shall we do?

Edit: That map is messed up. Take that out and put a map where they won't have difficulties, like those origional maps...

Your priority should be to get the main server up on time, and to PM all the players to be there at

the right time.

I'm guessing that it won't work out too well.

Also, I don't see your server.
