Hi all been a while since i been on renegade but i just on here to make sure i'm not banned or blocked for nothing as lbMeWhoU has accused me of cheating and says he will follow measures to ensure that i am "taken care of" i have a copy of the conversation and will add it i don't cheat and will be happy for any1 to test me or if they want come over and search my entire computer.

the map was city flying 5 a side silver bullet and time was between [00:32:24] to [00:43:07]

if any1 has any archives on at this time on this game could u please post it in favour of my defence against a possible future ban

I don't cheat and this cock head (lbMeWhoU) is a NOOB please tell him to piss off

thanks

Don't believe everything you see, There is a logical reason your parents tell you this as a child.

You won't be banned.
