i was hoping someone could help me with my new map and send me a model building with interior

Old style home

2 floors or more

Textured is a plus

A DM map

.gmax or .3ds or anything that can be opened in G-max

is that what you were getting at?

Change the subject??

Im asking for a model of a building....why would deafwasp change the subject?

My B

no need to insult my intelligence

I just read it quick

BTW i don't beleive he copywrited a stalingrad map....so im sure he's free to make any style map he wants too

Prehaps he's had it in the works for awhile now
