I have alot more, but I dont show them, most of them i deleted recently because i was ashamed of

the things i made back then for other people on anime forums, sooo....now i have alot less than what i did before, plus those who used my sigs are probably mad that i deleted them lol.

I'll nominate bluethen since he has a abstract sig.

Er, Lee owns you all.
So does Sessomaru.

Lets see-

Rock Lee & Sessomaru= One dead Sephiroth. Although, I will point out some simliarites between Seph and Sesso, they are soft spoken, yet strong.
Somewhat evil (in the beginning at least)
HAve their own agenda.

Oh, in other words-
