You must die for braking the almighty Wii!!

Also.. I have MGS2: Sons of Liberty.. so now it's all good.

EDIT: And Street Fighter for the PS2!

Perfect Dark, abusing bot's with a fairsight

or 2x mp50

besides that the storyline of P-Dark was amusing.

Goldeneye multiplayer was nice too though..

No matter how many times I play any of the MGS games i always learn something new about the story line or plot that i didn't know before. Great game but even better story!

+1 agree!

I'm like that, too!, I just took my PS2 in for repairs, Going to buy snake eater this time so I'm not rushed to give it back to a friend!
