That's right modders of the Renegade Community, we are looking for people like you who can texture our models.

Requirements:

Understanding what an UVW unwrap is and looks like (can be taught).  
Player of Red Alert 2.  
Decent to excellent texturing ability.  
Superb attention to detail.

You may use any tools of the trade to get this job done (Photoshop, Paintshop, GIMP etc).

If you think you're fit for the task, show me some work and give some details about yourself and send them to [marpoole789632145@yahoo.co.uk](mailto:marpoole789632145@yahoo.co.uk)

Oh, and don't forget to have fun while you're doing this. ^^

Mero

RA2: Apocalypse Rising Co-Producer.

Unless we get decent fast working texture artists we're not looking will early - mid 08.

Mathk1ll you should apply. If you think you can do it we will take your application like anyone  
elses.

I know...It's a matter if I think I'll have time to do anything for AR ^\_^

^I have no doubt that I can do the job, but it's a matter of time management. (lol, on that note, I'll work on an application when I get home from school. xD)
