Dam Dam Dam, literally a day before i release C&C\_Temple\_DM V2.0. I made PT icons for ALL the extra characters (20+)!!!!His ones are a bit better mind, looks like he took screen shots of AI, I couldn't be arsed trying to get the right pose from the AI so i took screen shots from W3D Viewer  
Most are good but one or two stand out. My Kane Owns [ February 14, 2003, 03:36:

LOL...the "BuzzMods" were just a collage of things he stole from everyone else. He would put every model and script he could get his hands on into one map and call it "BuzzMod version <version here>". They are definitely taximes.
