Ah I'll saw this a few months ago, good video, I've thought of the same thing, does look like Nod uniforms.

The song has a powerful message and the video shows that well, but am guessing for alot of the ignorant people, will not see that.

Your Turok mod is worse, but who gives a shit? This isn't what this thread is about.

Anyway, when I saw the soldiers, I didn't think "Nod", I thought "super neo-Nazis".

I gotta make one, making one would be easy, just buy a black motorcycle armor vest, buy some ammo pouches from a gun/hunting store, buy some red spray paint, a face mask/gas mask, black spray paint.

and so on.....Next i'd like to see sbh armor in reality, or confessor armor.

motorcycle shop, vest, gloves, and boots
Hunting store, ammo pouches, gas mask?

The gas mask made me clueless where to buy one, but I dont think it is needed to make a nod costume, but it does look more authentic with the mask.
