I poked around, and couldn't find a comparable thread. Pretty simple deal, and it's fun to see what others listen to.

Africa - Toto

I see lots here like 80s. I put together over 400 songs from 80' - 92' of all my favorite 80s metal songs. Now doing one for 80's Rock. I love a lot of the newer bands out today and still love the classic rock on the 70's but I'm a child of the 80's to the core lol..

Newer bands like who? If we're talking mainstream, then I have a problem with that (not that would make a difference to anybody else but myself, but I still feel it's important ^_^).

why does it matter if its mainstream or not? lol unless your like my brother he hates anything main stream. as soon as a band hits it big hes like sell outs lol.

Newer bands that i like if you want a list. Here are some and yes most are main stream. Look thru my music folders.

Placebo, 3 Doors Down, Blink 182, Snow Patrol, 10 Years, Adema, Alice in Chains (not new but not 80s either), Alkaline Trio, Audio Slave, Breaking Benjamin, Bush, Ra, Chevelle, Seether, Crossfade, Default, Drowning Pool, Eve 6, Hinder, Hoobastank, Hurt, Incubus, Interpol, Jimmy Eats World, Muse, Puddle of Mudd, Smashing Pumpkins, Staind, Velvet Revolver, Linkin Park, 30 seconds to mars, Orgy, Disturbed, Cold, White Stripes, Papa Roach, Soil, Fuel, Three Days Grace, etc...

Just to name a few for you lol .

there isn't any type of music i dont like except for opera lol. Love it all from country to rap to rock.
