Long story short, Jonwil has a sig saying he is a KFC addict, well, whats funny is theres this Guy I know at KFC he comes in everyday to my store EVERYDAY around 4-5pm and orders the same thing everyday, I'm afriad to ask if his last name is Wilson and if he codes scripts.dll xD

So to make things easier, does Jonwil live in ohio? Or does he live in some other state, because a KFC addicted guy named jon is pretty odd and seems almost as if it is jonwil....

If it is jonwil I'm gonna laugh because he's been goign to that store for so many years and I never knew it was him.

Well no not really, its not like Jonathan is a uncommon name. Many people like KFC. If I had the money I think I would get KFC everyday.

This topic is weird.

Please don't start topics anymore because someone of a million KFC addicts could be someone you know.
