This is epic. He is such a moron he doesn't even bother to spell when he is trying to spoof a reply from technical support.

Troop, it wasn't Sadukar or I, because neither of us own C&C 3.

Nor would either of us waste our time spoofing your name on C&C forums trying to make a fool out of you, when you do it by yourself so effectively.

Troop has been well behaved for a while now, as far as I've seen. I wouldn't put it past someone else trying to make him look even more like a fool than he's done.

Ignore that fag, he has enough of his own problems, as we can see. Doesn't play this game, likes anime, and still posts on these forums when he has not touch renegade in years? Sad

So because someone doesn't play Renegade anymore and watches anime that makes them sad? Yeah ok.

Anyone can take the time to type "trooprm02" into a fucking box... You don't have to own a game to post on that forum. As much as I don't like troop I don't think he would do something like this. It isn't his style.

If you believe everything you see, You might as well just ask how high they want you to jump.

Seriously, Even troop isn't THAT stupid to try and scam someone. :\
