They arent 2007's Scottsboro Boys. They're not innocent. They shouldn't not go free.

I agree they shouldn't be tried as adults, but the charges have been dropped to little more then assault and battery.

They really shouldn't be made into martyr's, they are guilty of a crime.

6 black kids, beat the !@#\$% out of 1 white kid, knocked him out, made him go to the hospital.

The white kids were being racial by not letting black kids under their tree hangout place, so 6 black kis beat the crap out of 1 kid for that.

Being racial is no reason to beat the crap out of someone, it doesnt hurt anyone, but is is stupid and mean, but still...stupid and mean things are no reason to beat a kid that badly.

Ok, the white kids were fucking dumb. No question about that. BUT what they did didn't leave a kid mentally retarded. Not that severe.

The black kids are also fucking dumb. However they did leave a kid mentally retarded. Severe.

It really is that simple.

Btw, when people pull the race card it makes me sick. The race card causes more racism than

anything else.

What surprised me is that the white kids, who hung nooses under that tree weren't charged, because the prosecution said no laws exist that punish an action like that...

I think the black ones should be charged, but the white kiddies should also have the book thrown at them, simply because no one should get away with this bullshit.

That's not a hate crime. That's freedom of speech/expression.

While I don't agree with racism, the white kids' actions were NOT illegal. Stupid, immature, and completely uncalled for? Absolutely, but it wasn't a crime. Just like a KKK rally is freedom of speech, so is that. As wrong as it may be, it is covered by the First Amendment.

I will say this, the white kid got what he deserved, but that still doesn't make the crime right. However, I don't think the "Jena 6" deserves to have attempted murder on their rap sheet.

Also, Ryu, you told someone to Google search earlier in General Discussion, so you asking for a link is pretty hypocritical.

Figures. We have hate crime legislation up here in Canada, and there would be a very good chance that it would result in charges. This expression of hate goes against another person's right to freedom of life, and liberty.

We have hate crime laws too, but that does NOTHING to go against someone's freedom of life and liberty. That's quite a jump you (and probably your country) made, there.

NOBODY has the right to NOT be offended. The blacks at that school may have been pissed off and hurt, but they weren't stopped from being able to live their lives. They weren't stopped from voicing their opinion. When it was all said and done, NONE of their rights (as laid out by the Bill of Rights) were impeded on.

Well, "Jena 6", I was like "What the fuck?" Because I have no idea what Jena means.. and I thought google would correct me on it and say "Did you mean Jenny 6?"

But yeah.. the topic starter didn't tell us anything.. so what did you expect?

Anyway.. White kid got beat up, They should be charged with Assault or attempted murder, Not a racial motivated attack.

Animals kill each other, Oh hey! Lion killed a giraffe! LONG NECK = RACIAL MOTIVATED CRIME!!

This is nature, Wolfs hunt in a pack, And so humans copy that tactic, Sure, there is a law against it, But I hardly see anything 'Racial' about it.

Why can't people realize we're all pink on the inside?!

Also, Did the white kid do or say anything to actually motivate them?

Yeah, Me and Goztow work for google! shh!

Supposedly, the white kid had made fun of one of the attackers who had allegedly been beaten up by another white kid not long before.

This all stemmed from the hanging of the nooses from the "white tree" and previous black/white fights at and outside the school, not to mention part of one building getting burned down.

http://en.wikipedia.org/wiki/Jena_6

I won't begin to go into how your animal analogy doesn't work, but that's really irrelevant here.

Personally, I think attempted murder is too much to charge them with. The son of my college's athletic director and a friend fucked up another guy much worse than this kid and only got charged with aggravated assault with serious bodily injury.

In June, an all-white jury in the mostly-white town convicted 17-year-old Mychal Bell, who was 16 at the time, of aggravated battery, which carries a sentence of up to 15 years. Just recently, an appeals court threw out the conviction, concluding that Bell should have been tried as a juvenile.

16 at the time??? That's an adult and they knew what they did was wrong.

Up to 15 years for it! If you can't do the time then don't do the crime.

Right or wrong, they knew what they were doing. Guilty as charged M'Lord.

Well in my book racism is not punishable by beating. Its just retarded when people are raciest, but instead of beating the living crap out of the kid, they probably should have just found something else to do. You know, being the lone kind under the tree could not have been all that much fun.
