He's a maniac.

And are you sure that's the actor who plays Kane? Apparently the bald head/light-moustache-goatee combo is popular these days.

Guys I know Kane is played by Joe Kucan, duh!
What kinda C&C fan would I be if I didn't know a simple fact like that!
It's just very uncanny that the two look alike in that picture thats all!

Well Joe had to be doing SOMETHING in between Tiberian Sun and C&C 3.....

I hear he was a Mr. Clean stunt double as well as doing some work for the Austin Powers movies for Dr. Evil
