i found out a trick to make LE faster ...

if u click on "Walk Thru" mode it will needs sometimes 2 minutes then u can walk around the map... but if u click on "walk Thru" mode and press CTRL + ALT + DELET then Walk thru will load in 1 second

Me to, and always well, I don't see how bringing up task manager will help, especially on vista which brings up a choice screen first. Therefore taking more time.
