Happy birthday, Crimson... (I may be a tad early, but I won't be on much tomorrow...) I recall you having a birthday the 24th of October last year, I also remember because October 24th is also my birthday. So yea,

Happy Birthday.

(As was sung by a few officers at a Cadet function to a fellow cadet)

Sung to a somber tune:

Happy birthday \*hit your fist against the table to generate a thump sound\*  
Happy birthday \*Thump\*  
People dying everywhere  
Screaming, crying in despair  
Happy birthday \*Thump\*  
Happy birthday \*Thump\*  
You're one year closer to DEATH!

Wow, you actually think it's good? You must be the only person in the world to think so.

Heck, even the people who brought it up at the event did so because it was humorous and amusing, not because it was a good song.

Of course being sarcastic is a great way to make a fool of yourself... but then again, I wouldn't expect anything else.

I lied about my age on the profile... I'm not really 18 or 27 or whatever I said I was. Though I didn't lie about the month+day part.

It's also Red Alert 2's Release Date anniversary (I think...)
