Could someone mod Walls_Flying.mix so Sedans spawn on the cliff? Me and my clan members like to do bumper cars at the top and knock each other off. But at the moment we have to use the Transport to get them up. And it takes long sometimes. Normally we need 6. Can anyone help?

Do you need working buildings? i also can have you spawn up there if you like Barracks + War Factory Hand of Nod + Airstrip All buildings in the same places as current Walls_Flying. Make it spawn at random places. Bases and the cliff itself. Thank you!
