You can add recons under the purchase settings tab in Level Edit. However, you need to get the purchase terminal icon for the recon bike, unless you want to make one yourself.

hey ive done it added loads of tanks well not that many

i have another question

How Do I Paint Tib Field's And Set Them Up And How Do I Get The Waypath's Working

Thanx Anyway

On the PT menu for vehicles in LE, just click and add a new vehicle preset, add it's texture, it's team, health, armor, other crap.
