Can you be more specific? Can you describe the map a little better?

idk, it is a snow level, and all the guns are right at the start, it is really hard because there are so many snipers and soldiers as the player goes down a snow path inside a canyon type setting

[http://www.renhelp.net/downloads/maps/C&C\\_Dam-tastic2.zip](http://www.renhelp.net/downloads/maps/C&C_Dam-tastic2.zip)

It was originally apart of the Bot Challenge package that included several SP levels converted in this fashion.
