She was affected with the t-virus but didn't change like the others, she has turned into a super human.

Yeah, they completely ruined Resident Evil and now she has telekinetic powers.

Lame movie.

It's pretty lame, yea like...T-Virus causes ocean to dry up...wtf? And yea, she got infected by the T-Virus, but she becomes superhuman, instead of dying and becoming a zombie.

Yes, and on another note, I would assume the movie sucked because they didn't base this one from any of the games. ..I think.

ok dude....the ending sucked balls....all it shows is that part 4 is going to have like 100 clones of the girl.....that would be sick to see them all fight and kill but so many clones of the same person.....gonna be gay....i say num2 rules
