lol i dont have a edit button anywere to edit my thread to change question as i need more help

how do i set a zone to trigger a sydney wall when a player has a keycard so the wall will dissapear so they can get to pt

and how do i set a zone for when i gdi or nod get to the zone it will allow ppl to buy tanks so it will enable tank buildings

thanx but i dont get it maybe will have to read it all

but it says a destroy thing so idk how that would trigger a building
