We are staying up and running - intact as it were. We are not quitting Renegade - in fact - we have a lot of things to add on to it in the near future. ModX will continue - regardless to what you may have heard. Proud to say we will never give up on Renegade - in any form I would recommend you visit/use all Renegade fan sites - and stop all this useless and mind-numbing arguments about who's site is better - who is a better modder, etc...in the end - it will be this garbage that kills Renegade as a community, and as a game. Remember - there is ALWAYS someone smarter/better than you. With this - i'm a dot..... twice [February 27, 2003, 06:52: Message edited by: StoneRook]
