I think a WW3 is starting, President Bush is an EVIL oil-greedy war-mongor who wants to take over the world. And I also think he inspectors should've more time, I mean, 10 more years would've resolved this peacefully. :rolleyes:

Okay, seriously, for the people who still think this is an oil war, STFU. It's just a lie made up by socialist anti-Bush yahoos. We didn't we take the oil during the Gulf War, why should we now?

And the fact that some people think 12 years is not a long enough time for inspections by the International Phony Accociation. C'mon, do you really think that Sadaam would've disarmed? And if you think Sadaam doesn't have anything to do with terrorism, you're wrong.

The "war" in Iraq isn't a seperate war from the war on terror. It's just a new front in the war. WW2 had many fronts, but there weren't seperate wars. It isn't just some scam to get our attention from Osama Bin Laden or Afganistan. Get reasonable.

Then why is this all happening now? Here's a wild guess; maybe beacuse Clinton didn't do anything about terror? The War on Terror should've started years ago, in 1998. But this is not to say Sep. 11th would've never happened. I am not one to speculate about the death of 3000 lives.

Any Christian praying for world peace does not know their Bible. Didn't Jesus himself say "There will always be wars and rumours of wars" in this world?

And I'm starting to think some people have been playing Nod/GLA a LITTLE too much

Well, those are some of my thoughts Sorry about any grammar errors, etc.

And don't forget to buy me some books:

I am sorry I don't recall anything metioning that. It is not like I memorize the bible. But I would be VERY interested if you found the verse. Just for my reference. Always out to learn new things. So you think you could tell me it.

Not trying to really trying to prove you wrong yet but I would be rather interested in hearing that.

"You will hear of wars and rumors of wars. Make sure that you are not alarmed, for this must happen, but the end is still to come." - Matthew 24:6 (New English Translation)

It's also just common sense. I'm too lazy to write something again, so go to this thread and read my post:

Matthew 24:13

But whoever holds out to the end will be saved.

Thus this mildly proves that we should not go out seeking war. Infact we should remain faithful that God will avert as many wars as possible until it is nesecairy. Maybe it is nessecairy, but I feel this is a war of human ambitions and the pope has basically condemned it.

Well, that you for pointing out that interesting chapter. It is one of the first times I have heavily engaged in discussion over religion.

DISCLAIMER

The Pope does NOT represent Christ, or christianity in general. No one does, thus the reformation movement. His endorsement only means something to Catholics, not the rest of us who believe a man cannot speak for God, and should not place himself in between us and God. His opinion means about as much to me, as yours, or anyone elses. He is just as equal in God's eyes as anyone else.

The Catholic Church in its self is corupt. They allow child molesters to preach and the punishmet is a new parish. Even the Pope has helped in the cover-up for decades. So how can the Catholic Church hold any credibility when it contradicts itself almost on a daily bassis? They preach of peace and equality, yet they will not support the liberation of these people. I am willing to bet that if this was a christian based country, there would have been more support for the liberation.

The Cathloic Church doesn't run our country. It has a larg grasp on European countries, but not here. And I for one like it that way.

Yes, there is a trinity...dike! they are 3 separate entities yet equal and one in the same. God is the creator, Jesus was sent to save us from our sins. See...only God can save us from our sins, so it'd be pointless for him to send his son to die if he wasn't God. And I am a Protestant and I was a former Catholic (brought up in it but saw the real light). The Catholic church is corrupted and is incorrect. Don't slander the Bible, if you don't agree with it, then go somewhere else and post it. I know this wasn't mean to be about Christianity, but it has come down to it and this is not the place.

P.S. If Jesus isn't God, then how can he have been perfect???

Few Reasons why Catholic Church is wrong:

Salvation is by Grace, not by works (sacraments)

You pray to saints and Mary, and yet the Commandments say not to have any idols before Him.

Yes, they were saved, but only to God shall you pray.

Mary wasn't perfect, she was given the ability to carry God's son. She is the SURROGATE mother, I doubt that there was any DNA that Mary gave to Jesus.

I don't think much good is going to come by us shoving our religons down each other's throats, but

I can't let some of da_shiz's comments stand without a counterpoint of some kind.

da_shizSalvation is by Grace, not by works (sacraments)

You get some grace from sacraments. Humans need all the grace we can get.

da_shizMary wasn't perfect, she was given the ability to carry God's son. She is the SURROGATE mother, I doubt that there was any DNA that Mary gave to Jesus.

Mary was conceived without sin. She was perfect.

Go tell them that you think we should have stayed away.

1. Grace...you can't earn grace. Grace is given to you. What have we done to earn it??? The Bible says not to do works for Salvation, but to do works in the name of God.

2. ONLY Jesus was conceived without sin. What's the significance of Jesus dying on the cross is his mother was without sin as well??? other than the fact that it was for our salvation, but it wouldn't be so if Mary was perfect.

3. You're still praying to Mary, you're asking someone that didn't play much of a role in Christianity except giving birth to the Son of God, which He could have chosen anyone else for that matter. Giving birth WAS a big deal, but not something that makes them a saint. again...she was the SURROGATE mother.

And I agree with Crimson with that post (although that has nothing to do with what I'm posting about now). If Bush runs again...he's got my vote. I'm a Republican and not afraid to say so. Even if he wasn't a Republican or I wasn't, I would still respect the President's decision on things, it's a

thing called respect. Which many people have forgotten about because they think slandering the President's reasonings for war is in the 1st Ammendment. Tell me...where does it say that you can create lies because you're opposed to what the President is doing????

Speak your opinion, you have the right, but don't say shit u don't know. Like war for the oil...where the hell did u protestors get that??? You may have gotten the idea...but where in the war is there been that we've captured the oil fields for ourselves??? We're protecting them from being set on fire again...but we are not using the oil for ourselves. If you're gonna use the 1st Ammendment to your ability...don't abuse it.

And just one more thing...remember how we got the right to voice our opinion. We had to claim our independance from Britain, which led us into war. Now...you're gonna say that you don't see how war helped us there. And I bet you don't see that the THREAT of war stopped Communism from controlling the world. And you'll probably tell me that trying to help Europe in WW2 was in vain. War solves ALOT of issues. YES...it WOULD be better if we could solve them without war...but we can't. War is apart of life...there will still be more to come. And also...if you're a believer and yet a anti-war pacifist...then tell me that God didn't tell the Isrealites to engage in WARS with countries. Like the City of Jerhico...true...they didn't use violence...but it still was war. And many other times. He told the Isrealites to raise up against their captors and etc... War is what needs to be done. That's all there is to it.

I am very very tierd so i hope this makes sense, I am totally pro-war i think what America and England (i am english) have done in Iraq is amasing.

The Oil in Iraq was not a deciding factor in the war but if you think that bush is going to stroll pass it and not touch the stuff you are severely mistaken. He has allready proposed a "Oil for supplies thingy" (note i am very tierd and my brain just died**).

All you Anti-war people should fucking look at the real problem and stop being retards who cares about a little oil many lives are going to be saved which will totally outweigh the casulties from this war.

The US, UK and hopfully the UN will help reform Iraq to a democratic country placey thingy magingy (note: can hardly keep my self awake**) which will be best for the people.

All of you people.... and your religions..... i dont have much to say to you i turned from that path a long time ago when i was about 15, but if your faith and beliefs help you understand this world then i am glad. Religion is based on Social norms and values if you think about it, and by living to those values the world would be a better place.

As a Scientist or a Scientist to be i try to stick to the facts and as i have heard no booming voice from the sky i draw my self to the logical conclusion that God does not exsist. I understand that religion is based of faith which i am sure will be your arguement...

My long winded conclusion is "religion is the dogs bollocks as long as you live by what you preach..... and you aint a fucking Phsyco with a ticking turban Bomb shouting G'Had ...

Now i got to Bed good night.....

Uuuhh, no.

neosaber

da_shizYou pray to saints and Mary, and yet the Commandments say not to have any idols before Him. Yes, they were saved, but only to God shall you pray.

I don't pray to Mary instead of God. I ask for Mary's intervention when I pray. What's wrong with asking for a little extra help with my prayers?

Ecclesiastes 9 4-6 "4. For to him that is joined to all the living there is hope: for a living dog is better than a dead lion. 5. For the living know that they shall die: but the dead know not any thing, neither have they any more a reward; for the memory of them is forgotten. 6. Also their love, and their hatred, and their envy, is now perished; neither have they any more a portion for ever in any thing that is done under the sun."

Dead people can't pray. Just thought I'd like to let you know.

And though some disagree with me, Jesus is not God. There is no Trinity. Just read:

Ephesians 4:6 "One God and Father of all, who is above all, and through all, and in you all."

Acts 2:22 "O you men of Israel, hear these words: Jesus of Nazareth, a MAN approved of God among you..."

John 10:29 "My Father, who gave them me is Greater than ALL....,"

See, "I and my father are one" is taken out of context:

John 10:23-30

"And Jesus walked in the temple in Solomon's porch. Then came the Jews round about him, and said unto him, How long dost thou make us to doubt? If thou be the Christ, tell us plainly. Jesus answered them, I told you, and ye believed not: the works that I do in my Father's name, they bear witness of me. But ye believe not, because ye are not of my sheep, as I said unto you. My sheep hear my voice, and I know them, and they follow me: And I give unto them eternal life; and they

shall never perish, neither shall any man pluck them out of my hand. My Father, which gave them me, is greater than all; and no man is able to pluck them out of my Father's hand. I and my Father are one."

And if you still don't believe me, just head over here:
http://www.answering-christianity.com/john10_30.htm

I'm tired and have to pee, and I don't want to continue right now. I think all sides have been spoken. You believe what you believe, I believe what I believe; just don't kill of hurt somebody.

Well, I gotta go.

And how, praytell, does a MAN give eternal life? He cannot, unless he is God, come to earth as a man, to make the ultimate sacrifice for sin. Only a perfect sacrifice can atone for all sin, and only GOD is perfect. Please don't turn this into into the religious thread. they go sooooooooooooo offtrack.
