Try this website: [http://www.renegadewiki.com/index.php?title=Main\\_Page](http://www.renegadewiki.com/index.php?title=Main_Page)

If you need any files or skins for Renegade, then go to the website below.

And welcome to the world of Renegade.

most servers give you a list of commands if you type !help.

You can read the readme.txt in your renegade folder for the radio commands.

Do !help or !commands in-game to see lists of commands. Commands can be different in different servers.
