Looks nice...

I love how all the maps are based on the original maps which is obviously what a mod like this should do...

Anways I like it hope to see more soon .

Nice map. I hope it is another good map like "keep off the grass". Good Work. I have got a better

picture of the map "Zama" from C&C Redalert : The Aftermath.

I shrank it to 640*640. If it's too big let me know and i'll just link it to the image.
