God sees all, why would he need an internet connection?

And is Online Jesus one of those new online games? Are we supposed to lead the n00bs to the promise land in it?

HAHA...Idiot! How stupid can you get Dark??? n00b...so you're better than me on the game...doesn't mean you can't be a n00b!

n00bstories.comThe definition we're using on this site is a player who may or may not be new to Renegade, but insists on doing brainless things...

And what's the thing about no respect??? Have to show respect before you deserve to get it, and just because you show it, doesn't mean you deserve it.

I'm more of a Renegade veteran than you are and yet I make myself out to be a n00b sometimes (although I am lucky I don't expose my n00bness tendencies in public, often). You just are an all around idiot...you're short, fat, and almost as dense as Dustin. Yes, you may get good grades, but you also need common sense. And yes, you can call me your friend, but that doesn't mean I'm gonna stand up for you being an idiot.

Oh an also...another quote from n00bstories.com:

n00bstories.com...n00b (not noob)...

As you so wrongly posted:

DarkDemini am not a noob...

I'm sorry...I was looking back at all my old posts and couldn't help but to see this. AirF0rce2003 is trying to stop DarkDemin from being flamed. Only, this was before AirF0rce2003 was unmasked and we discovered that he is also DarkDemin. I saw this and cracked a smile...nothing special.

I think you got the wrong idea on why I revived this post. It wasn't to continue the flaming...it was to laugh at "AirF0rce2003" trying to "protect" DarkDemin. And as I said, it was DarkDemin using a different name to try to stop himself from being flamed. And I remarked that later on AirF0rce2003 was unmasked because he pissed me off. If you search for what I'm talking about, it is like "DarkDemin = AirF0rce2003 = OVER WITH" (the over with part is because I decided to quit making a fool out of DarkDemin because he is a good friend of mine personally)
