The new Renegade Tool Manager is here!

This has many more neat features that are a must have including bot installs and resume downloads.

Download

This URL auto updates, version 0.2.2 is not guaranteed.

Yeah version 0.2.0 came out a month from yesterday.

@ caveman, Didnt think many people used cp2.

Btw no resume download on CP2 because the webservers stupid lol.

PsuFan only codes in VB6 and Lua Script. And I highly doubt it's written in Lua Script... Thus it's coded in VB6...
