Probably... no. It has been frozen like this for like a year now..

I reset it last on December 1st, which, while it was technically last year, it wasn't "a year ago". I will reset it for January when I get home tonight. Don't worry, your games so far in January will still count.

It's been reset. Sorry for the delay there... normally I reset it within the first day of the new month.
:\
