You know troop, its funny, because I'm guessing your about...5'8", maybe 160 pounds, still in highschool...Me kiddo, I'm about 6'6" and 300 pounds, and I make 150k a year. If anyone is the inferior here...Heh.....It'd be you. I suppose if being half black and half asian makes you large and intelligent, well then gosh...I'm a halfbreed.

One of the least "punk" things a person can do is to proclaim "I'm punk!", especially if nobody asked him.

I suppose something similar applys here on the internets.
