Isn't that pic a Screenshot of the intro in Red Alert 2 or something?

That's the most famous shot in the victory scene after completing the Allied campaign in Red Alert II.

Harriers > Apocalypse.

Harriers are a bit weak for my liking. Black Eagle Jets > Apoc tanks.

But Prism tanks > Basically everything.

But yeah, like R315r4z0r said, that picture is everywhere. I believe the first sighting of it is in that "Escape from teh prison" mission, but I could be wrong.

I believe you first see it in the second mission (or first "official" mission)

The one where you have to rescue the prisoners from the Nod Communications Center. I think you first see it in the Hand of Nod. In the cafeteria.
