when i asked u to help me with 2 files i didnt know u were going to release them.....and take some credit lol

and fyi i gto the rest of the files done and still the thing i asked you to fix still nto working so maybe releasing not so good of an idea?

pretty much no disrespect or dissing but i asked to to fix 2 things and after testing my tib pack and the one u made for me its still not fixed and ur releasing it so its pretty much you didnt fix my problem and you jsut release your own so go ahead and take full credit for it..=) and thanks anyways
