Yes, but despite his intelligence, to forgive appears to be beyond him... nevermind.

it's more cool to suck the dick of a fat obese nerd like silent kane than it is to like jonwil.

I in fact actually like jonwil. I don't see him constantly posting nerdy things like that of silent kane's where he constantly dwells on an issue that happened years ago like the loser that kane is. my boy jonwil actually tries to help people, instead of just hording good shit away and sitting around being fat and greasy.

I don't know who did it, but whoever made APB's sidebar needs a swift kick to the gonads.

You have to use the arrow keys.
