We (Midas) have applied for Road to V this year. With your help we could get the opportunity to perform at V Festival later this year! We recently supported Rosalita, last year's winners of the competition!

Check out our Road To V Profile and show it some love. We've uploaded one of our new tracks, Animal Farm, an exclusive to the website and some video will soon be following.

I just ask for 2 minutes of your time to register, drop us a nice comment and rate us (5 stars obviously!)

You can also check out another 5 of our songs and get more info on us from our band MySpace.

This really doesn't take more than 2 minutes to do and there is an option upon registration to make sure that your details won't be shared with any third parties and you won't be sent any unsolicited emails or anything of that nature. It's completely free and the website is secure.

Note: Given the nature of this forum I have to ask you all to take this seriously and not to vote us 1 star plainly because you don't like the genre of music.

A MASSIVE thanks to anybody who does this, you could be the key to us performing at V Festival this year! I really appreciate it.

Questions/feedback welcome.

Dave

This is funny, I remember hearing some of your stuff in 2007....loved it. I hope you do get to play at V, it'll be a great boost which you guys deserve. I think I might be needed at Reading Festival during the time V is this year but we'll see.

Still loving the sounds around 2:06-17 in Don't Dance - reminds me of the start of Phantom pt. II by Justice.

I might come and have a sample sometime since my flatmate lives near Stourbridge.

You should create a Facebook page for your band, just an idea to get more support. Keep the videos coming too

Good luck!

I expect my bribe money to be in the post, Dave?

Nah, i like this track, although not much of a fan of this genre. Go Midas! =^_^=

Ooooh... I'm off to V this year, but never even had an idea they were doing something like this. Must investigate that site further.

Voted a 5, good luck.

Just to update, we've got the past 2 single releases (position #59UK/#3indie and #16UK midweek) up for download on WE7 completely free of charge. No credit card details or anything needed.

Also got a new release on there exclusive to the website featuring yours truly on the tubs (Prima Donna).
