How so?

Yes I believe it's fun to be able to pick whatever you want to wear but school is something you do not pick and have to do.

Here in the Netherlands you are allowed to wear the clothes you prefer. But I believe the British is best, because.

- People can't argue if something looks good on them or not
 - Girls and Boys dont have to spend time to spend on what to wear the next day, it's school anyways.
 - Kids with poor parents, won't have too wear the same clothes over and over again, and there eventually probably get bullied.
 - Kids get bullied or don't belong to a group because they can't wear "these type" of clothes.
 - Disipline, using one outfit is part of some sort of disipline, see navy, army, ecta. Exactly what kids these days need.

 - If its weekend/holiday then there is enough time to wear what you want. You are free to do as you please.

Bullying here isn't like what you see on TV. They don't beat the crap out of you because you wear whitey tities. They'll make fun of you, but won't beat you up. Besides, once you get into high school you're a nerd if you pick on people still.

FYI according to the EXIF data in the picture, it was taken January 2006 with a 12.4 Megapixel Nikon D2X, which at the time was Nikons flagship modem and cost several thousand dollars. This sort of camera is usually only used by professional photographers for photo shoots...hardly something one would carry around for a day hike.

I smoked a cigar for about 15 min this summer. (I'm 16 and was with my dad) I got sick about 10 min after I gave it to my 14 year old bro to try out. Neither one of us is ever going to smoke again. He got sick after 2 min of smoking it. Why the cigars were in the suburban in the first place, is that my dad and his brother brought a 1988 Blazer that he gave to us. And every time they go on a road trip, they have to have a customary cigar. They didn't finish the cigars and had some left over after the trip. (Even though it has almost as many miles as our suburban, the Blazer is in much better shape aside from having a rougher ride to to the fact that it is a 4x4.)

Ryan3k has posted pictures of himself quite a bit. In this topic, too, I think, I'm just too lazy right now to go back and look.

You have to admit it's kind of retarded to constantly show everyone (on a video game website for a 7 year old game) that you can get drunk and not get in trouble.

Not really, we have a 50 Caddillac and only have about \$5,000 in it, not including the paint which
was another 4K.

The Cuda in the background (66 with a new engine in the garage) has about 5K in it including the
\$3K paintjob.

I hadn't much time to post my picture because I've been busy. You see, my son is being a very annoying nuisance to my ambitions. He thinks what I want to do is 'wrong' and he won't listen to my point of view. I mean, just recently I tried to get him to listen to reason and he threw himself down a hole and ran off with some buddies, one being my daughter. Now he's thinking of overthrowing me. Some son. All I have left is this old man who is my mentor.

Anyway, here's my picture:

yeah well at least i've got foreskin.

meh. my hair at the time was fairly spiky. but at gigs i like to douse my head in cold water just before going on, then in the heat of the show it tends to go all over the place, as my fringe has

done there.

She's my friend's cousin and she still lives local to me. We were dancing together for a while and chatting (although the only photo of us dancing together looks shit and isn't really of us together...) and got on quite well.

I am married and would not cheat, so I think maybe it was nice for her to talk to a man that wasn't trying to bone her?

WTF HOW DID THAT HAPPEN YOU

She's my friends cousin and she still lives local to me. We was dancing together for a while and chatting (although the only photo of us dancing together looks shit and isn't really of us together...) and got on quite well.

I am married and would not cheat, so I think maybe it was nice for her to talk to a man that wasn't trying to bone her?
