Because it's obvious you make different accounts to try and clear your record. You did the same crap as Tiberian_Robot/The_Elite_General on EKTRPG, and I banned you for it.

Right, so I'm supposed to believe that someone who has a VERY similar nickname (The_Elite_Officer and The_Elite_General...) with VERY similar personalities and both have habits of having a "brother" or "roommate" are separate people?

My ass.

Yes because I only use WOL and thoes nicks are to long. So yeah give me an IP and I will tell you what my IP range is. I have never ever played in EKT role play ever. The only EKT server I have played on it the EKT marthon and the EKT sniper one.

So I'm just supposed to believe that you're a different person, despite your very similar names, personalities, and etc?

Also, if I WERE to tell you an IP range, you'd either lie, or simply change it.

Why? It's always the same plot or subplot what I lovingly refer to as the "My mother, brother, sister, uncle, grandma, dog, penguin, pet rock or evil twin did it!" scenario

Or more commonly know as the same excuse as to why you didn't present any homework in school today scenario

That's what I just said. He asked for me to give him an "IP range" of The_Elite_General/Tiberian_Robot.

HOWEVER, in EKTRPG, every different time he comes in, he has a different IP. Mind you that when he leaves as Tiberian_Robot/The_Elite_General, he comes back in as The_Elite_General/Tiberian_Robot (Whichever one he wasn't before), he still has the same IP as he had before, so yeah.

I even have proof that they are the same person, and he cheats. In his thread on this forum of "The Elite Officer", where he got banned from our server (st0rm), "Ghostshaw" posted a log which was found by "appls0rm". I saw this thread and checked the bans of MSwindows and TheOnly4 (The elite officer) and found some funny stuff:

IP range of MSwindows: 1) 63.19

Funny thing:

IP range of TheOnly4 (The elite officer)
1) 63.19

A little obvious isn't it? I could get the serial hashes (which are BOTH the same) but you could just use his serial then. Also, he used my nickname and logged in as a mod, tried to abuse some shit and get me in trouble.

Now: TheOnly4 = Cheater AND MSwindows

Proof:

02(+St0rmServ02) [04Kill]: TheOnly4 (Mobile Artillery) destroyed a Medium Tank (Driver: Painkid33 - Owner: Painkid33 - Last Damage: 788.00)

And no, we didn't edit this log, I know some of our mods are douche bags, but they would never change a log, just to "frame" someone as you said on our Forums. Now leave

YOU ARE DISCOVERED

Alex

I suggest every other admin of other servers do the same.

Yeah, he also joined with the name "Renegade IP", he might go in the server with another range and shit, at least he used MY NAME and wanted to abuse mod commands. However, good luck with him ^_^

I did join as a mod but only to test out the direct connect, not to abuse your powers and stuff faggot alex.

Quite funny, as "Tiberian_Robot" and "The_Elite_General" have the exact same reasoning- "IT WAS MAI BROTHER DUN BAN ME PLEEZ!!11ONE!1ELEVEN".

And they both play EKTRPG.
