so finally that renerage guy added to to msn, had some time to waste, so fine, played him his map his side, he wanted nod on feild, even in his choice of server, EKTCW server (he's in ekt...he was prob on irc but w/e):

<http://img182.imageshack.us/img182/9220/screenshot52xm8.png>

<http://img120.imageshack.us/img120/7759/screenshot61hh5.png>

^im only shocked about the fact goku actually allowed him to play me versus telling his whole clan not to (few months back).

UPDATE:Actually, it seems he wasn't allowed to, he got his mod revoked from all the EKT servers and how has been kicked out of EKT for playing me.....:

- [D4M1R] says:
no idea why goku even let you play me

I just got told to to leave, because I lost.

I mean, they kciked me out.

- [D4M1R] says:
but know you got kicked from the clan for playing me lol?

- [D4M1R] says:
see what i mean, they are fucktards

Yup.

I just got my Moderator status removed from all servers.

Yea, I lost.

I'm not gunna deny that I lost.

Yea, I agree, some EKT members are retarded in my books.

Sadukar, I see why you left.

My respect for Sadukar just went through the roof.
And considering Troops lack of insults during the match, I'm shocked.
+1 In my books troop. For the good game.
I at least kept tryign.

Got fed up of the retardism in the clan, about 80% of the people in EKT can't type any sentence without IM. AND, ANYONE in their server who headshots the mods ONCE, boom "ZOMG LIEKZ WTF? U CHEET!!!!111!!!! I LIEK WANT TEST!!!!" Then they take like 30 minutes testing a person who is...obviously not cheating. Once I went to EKT server in another nick and I got accused of cheating on the first headshot I madee...lol.

I wonder what EKT has to say.

update: I got renerage to add goku to our convo and I asked him to play, he said fine but only in his server. Suspicious...I asked why, he said because only in UK server he doesn't lag. Weird since he plays in his own 40+ player server which is hosted in the US but can't 1v1 in a western server? So I said ok, uk server it is, just some place thats nuetral, so gw serv. He says no, he will only play me in his server....so I told him I'd be in gw anyway and that I'd be waiting, at that point he seemed like he might play, wait 10min, minimize ren, 45min past by, he didn't join, GJ
