I have been trying make a new account for westwood... and it doesn't work.

:: Renegade ::

When I go to New account in the advance game listings, the game freeze for a while that jumps back to desktop.

I have also tried with RA2 which it keeps saying not connected to westwood, which i have internet connection...

Little help?

First of all wrong section this should go in the "Renegade Client" section.

Second try reading this sticky posted in the "Renegade Client" section:
