These are always fun. Almost everyone has an album in their collection that they are embarrassed to own. Either it's because the album is great because it's so shitty, or it's from a clueless aunt who mailed it to you for Christmas, and you can't get rid of it.

I'll go first. Keep in mind, I have bought ALL my music.

I had it sandwiched between a Lynch Mob album, and a RATT album so no one except the saleschick at HMV would see it. I was 13 at the time.

My brother owns a lot of CDs I personally hate, but I can't afford CDs, so I don't pirate either.

Define own..

Own as in I actually went out and bought the album or just own in general..Like a 'friend' sent me it?

I guess 'own in general' . But if you do say 'a friend bought it for you' , we might not believe you.

When I was 13, I bought Britney Spears, but I don't have it, anymore. I got rid of it because it was ruined.

Other than that, the most embarrassing that I own is probably one of my rap albums that I haven't thrown away yet. Perhaps 50 Cent takes the cake.
