My brother has recently discovered RA2 online. He know wants to play people but since I have set up all my C&C games to log me in automatically, I can't log out. Is there a way to delete all my profiles off xwis so that I can redo them and have my brother be able to get his ass kicked online?

Well.. in Renegade I think if you bring up the sidebar on the left the My Information link lets you disable auto-login... as for other games, I have no idea.

Sorry Muad for not being so useful but...tell him to look for Starbuzz! Usually red color and Soviet faction.
