I have decided to use my TFD copy of Renegade (in a week's time) and I plan to install RenGuard as well as all the CP updates.

My only question is will the no-CD crack work with the TFD DVD-ROM?

Much thanks,

You don't need it. The game.exe shipping with TFD already has the NO-CD patch applied.

woah cool! Thank you.

I will use this thread if there are any problems with my installation.

Run it in admin mode. Check the FAQ in renguard client subforum to find out how.
