What do you think of it if you've seen it?

Though I've not seen it, it looks interesting. I'd like to see it.

I generally like Adam Sandler movies... but I do not think it looks that funny. I think I will watch it when it it's on TV eventually.

Anyone think that Mike Myers and Jessica Alba movie is going to be good? I don't think that will be funny either -- although I might see it just because Jessica Alba is in it.

Same, this film isn't a serious comedy, it's just toilet jokes one after another, It's a comedy to watch if you're stressed and just want to sit back.

or if you still think toilet humor is good.

also, on metacritic, Adam sanders 8 crazy nights is in the top 200 movies with low scores? wth, It's a pretty funny movie.

It's funny how most of the people here who hate it haven't even seen it.

Nothing worth the money. Just wait for TV. Don'T get me wrong its a simple comedic film, nothing gravely bad butalso nothing new.
But this year there aren't that much good films. Just the standart trash.
