You can download the tools and stuff over here:
http://www.game-maps.net/index.php?action=category&id=91

http://www.renhelp.net has some nice tutorials

thx all, but i have LE and single map and mulitplayer but i havent got rly time to make my own, so
if someone know where i can find some nice, i would be happy
thx for the tutorials anyway

What?

The official SP and MP level editer files is what everyone uses to do server side shit unless you can code.

i dont have time to learn LE and edit them
thats why i am asking 0.o
why u guys you arent answered my question??, say no idk then...

All i know are 2 mods that have edited maps in 'em TIberian evolution, renegade expansion (i think maps are name like C&C_Under_Expanded field_expanded etc...)
