I want to edit the WLT file for the tunnels in C&C Islands, its a lightmap if im correct. But I dont
know how to edit it, and in which program i should do it. And if possible i want to use it for
Multiplayer internet games.

thank you

A .WLT file is not a lightmap, it is actually just a large list of lights.

well, I've asked it to,
http://www.renegadeforums.com/index.php?t=msg&goto=336121&rid=20921#msg_ 336121
but, as I already knew, it's done with a plugin for 3dsmax.
No, you can't get it, WW kept it
