No, they are charging those two guys \$3,050 because they erased an apostrophe and made a coma.

They don't specify in the article if it is each or between them, although it will likely be between them as each would be completely outrageous...although, that much to repair a few alterations is outrageous already.

U OWN YOURSELF MAN

Something like:

Grammar Nazis: Owned Bad

Will have been more correct

But, like Roshambo said, no possessive.

It's comma, not coma... while you are on the subject of pointless but blaring mistakes and their corrections...
