Yesterday , because all my fauovorite servers were almost empty i decided to check a new one Renegade community marathom #1 There i had a great ping(120-150) I played 9 games, the first one was already started and i lost but the next 8 i won them all. So i get 8 MPV and some more medals, what happened? a guy(tainted) decided to pm me saying that if i win more mpv i was gona get ban my rank lol. Because i get bored , in the 9th map i left that server. I have come today soon and i have watched that all the medals i won yesterday are gone. Is that posible , because a moron cant win u he get mad and do that?

Watch my medals. <http://img237.imageshack.us/my.php?image=ujuiunle1.jpg>

This isn't their forums.

I think this is the rencom forums...

You were probably breaking a rule. (and yes, some pathetic servers have a rule against whoring)

The server in which that screenshot was taking is n00bless not rencom.

btw while your 8* mvp is nice, your team lost most of the 8 maps due to no team play

The rule i might broken was to be a whore lol, that i think is a stupid thing.

Most of people who got MPV is for whoring.As we all know, how many times in a map the team GDI or the team NOD work as a team ?

Only in a rush it works as a team.

The one who cried about my rank was 2nd (3 times) of those 8 i was first(he was jealousy).I really dont know what that player could say to the admin after i went off.

He should really get banned for retard.

I really think that what he did was wrong.

as MVP means only 1 player can got it per map.
