I haven't a clue how to make polls on this, so how many of you would like a SCUD Storm single player? Just a few missions or so..

I rarely see many good built in co-ops or SP's. Sole Survivor had a fun little campaign, albeit simple. I say, go for it. Generals wasn't very deep anyways, so you should have a pretty easy time with it.

Try to make it a bit deeper though, something interesting.

Suggestion: Balance the multiplayer first.
