im totally lost when it comes to new maps for renegade.
because of it im asking all of you to give me advice on what the best maps are for renegade (NOT the basic ones offcourse)
reason im asking is because of the new patch thats coming.

Long time ago I looked at nearly every map in Stalker Contact's Gigamapmappack (with I think over 400 CCR maps) an made a list with good (from my point of view) renegade maps.

I made mappack with this list. I didn't included or mentioned any of my own maps here.

C&C-Mode Maps

C&C_Arid
C&C_Bio
C&C_Bunkers* / C&C_BunkersTS
C&C_Cairo
C&C_Deth_River
C&C_EVA_Relaunch
C&C_Gobi*
C&C_Land
C&C_Last_Stand
C&C_Metro
C&C_Mines*
C&C_Mineshaft
C&C_Niagara
C&C_Ravine
C&C_Sand*
C&C_Seaside_Canyon
C&C_Siege
C&C_Silent_Dawn
C&C_Snow*
C&C_Uphill
C&C_Volcano_Flying*
C&C_Woodland

*Westwood/-Fanmap everybody should have them. They are graphically like the official westwoodmaps and their gameplay is in most cases okay (there is at least one exception - I know).

Deathmatch Maps

C&C_Ancients
C&C_Rome
C&C_DMConYard
C&C_DMCenterTS
C&C_Halloween

As I said: Good CCR Maps from my point of view.

mesa
volcano
complex
islands
field
under
siege (fan map)
gobi

something like that

1: Rp2
2: Rp2
3: Rp2
4: Rp2
5: Rp2
6: Rp2
7: Rp2
8: Rp2

9: Rp2
10: Rp2

You definately need Conquest Winter on any map pack server.

That level was horrible, it had stale gameplay and bland graphics that made units blend into the terrain.

Depends on what I'm in the mood for. There's not too many "fan maps" are that great for actually playing a normal AOW with. The Westwood made maps that were converted to playable maps are fun (Snow, Bunkers, etc), though, and aren't terribly unbalanced.

But, in general, here's some of my favorites, in no particularly ranked order. And, screw 10.

MedicalLevel
Ancients
Flight_Deck
Airbase
Snow
Halloween_Fog (Fog makes it more halloween-y)
Haunted
HauntedHouse_DM
Haunted2
Last_Stand
Lightwave
Lightwave2
Rome
Arid

And of course, rp2, even though it's a mod.
